

SERVICES OFFERED

The Office of Surplus Property administers four separate programs to assist our Donees:

FEDERAL DONATION PROGRAM

To obtain the largest volume of property possible, the Mississippi Office of Surplus Property regularly screens government activities and selects from the property made available to the program. Sources of property are:

- " Federal Military Bases-we screen certain bases throughout the Southeast.
- " Washington, D.C.-we screen office furniture by the truckload.
- " Overseas-we have screeners across the world, who notify us of property available in:
 - Germany
 - Italy
 - Iceland
 - Cuba
 - Panama
 - Guam
 - Japan
 - Korea
- " Internet-we can screen property located anywhere in the world via the Internet.
- " Local Civilian Agencies-we screen property at local agencies such as the FBI, OSHA, Stennis Space Center, and Veterans Administration.

Virtually any type of property is available through the Federal Donation Program, including but not limited to:

- " Office Furniture-desks, chairs, file cabinets
